## **Plan Review Process**

Once a complete submittal package is received by the Planning Department, the application is assigned to a Current Planner. If the storage tank is for a house or duplex, is greater than 750 gallons, and meets all Planning and Development Regulations, the application may be Administratively Approved by the Director of Planning or designate.

If the application is part of a development that includes apartments, commercial, industrial or institutional uses, or requires a variance from the Regulations, the application must be reviewed by the Central Planning Authority (CPA). The Authority may approve, adjourn or refuse the request.
