### Notification Guidelines

In accordance with Section 15 (4) of the Development and Planning Law (2008 Revision, as amended), notice of application for planning permission (other than an application relating to a detached house, semi-detached house, or duplex) shall be served on the date upon which the application is made and copies of such notices enclosed with the application.

Newspaper advertisements shall be published in a public newspaper circulated in the Islands, with a period of at least seven (7) days but no more than ten (10) days between advertisements. Within 21 working days of the final advertisement, members of the public who reside or own land within 1,000 feet of the subject site, may lodge objections with the Authority.

### Disclaimer

This document is intended as a guide that supports the Development & Planning Law (2008 Revision, as amended) and Development & Planning Regulations (2010 Revision). All development proposals are subject to review by the Planning Department and may require modifications to the above criteria in certain circumstances.
